Dear Sir,

RE-APPLICATION FOR REVALIDATION OF OILFIELD CHEMICALS

Arising from the review of your application for re-certification of Multipurpose Liquid Detergent (Macjames MMLD-06), we are pleased to inform you of the acceptance of the product technical data including the safety Data Sheet (SDS) submitted on the chemical and the product manufacturer's attestation that the formulation remains the same; and also, convey our approval for the continued deployment of the product in the Oil and Gas Industry.

2. This re-certification is for a period of three (3) years in the first instance from the date of this letter and is subject to periodic review by the Department as deemed necessary.
3. The use of Macjames MMLD-06 shall be governed by the provisions of section 25 of the Petroleum (Drilling and Production) Regulations, 1969 as well as Environmental Guidelines and Standards for the Petroleum Industry in Nigeria (EGASPIN 2018) which were both issued pursuant to section 9(1)(b)(iii) of Petroleum Act, 1969.
4. Furthermore, any change in the composition or reformulation of this product which could wholly or partly alter the data submitted should be promptly communicated to the Director of Petroleum Resources for the purpose of re-certification, as such changes automatically render this approval invalid.

5. Finally, this approval notwithstanding, the user of the products shall seek the approval of Director Department Petroleum Resources for the specific use under specified terms and conditions; and shall remain fully responsible for any damage done to the local environment on account of the use of the product.

Yours faithfully,
